SUMMARY

Motivated and detail-oriented Computer Science and Engineering (CSE) student with a strong foundation in frontend web development. Proficient in HTML5, CSS3, JavaScript, and modern frameworks like React.js and Tailwind CSS. Skilled in building responsive, user-focused web applications and integrating backend services using Firebase. Familiar with Git, GitHub, and collaborative coding practices. Passionate about continuous learning—currently exploring data analysis with Python. Eager to apply technical skills and creativity to real-world projects in a dynamic development team.
